

Lewes Wanderers Cycling Club - 2006-2007 Winter Clubruns List

Runs start every Sunday at 9am from Lewes Bus Station and In-Gear Cycles, High Street, Uckfield (unless otherwise stated) and meet for elevenses. Where there is an MTB run, non-mountain bikers can still meet at the regular Lewes and Uckfield starts.

Non-members are welcome to join any of the runs, which will be at a reasonable pace. Please come suitably equipped for the weather. If you are not used to riding in a group please let the other riders know. Remember that some roads may be in poor condition. Every care will be taken to avoid accidents but you are responsible for your own safety and Lewes Wanderers cannot be held responsible for any loss or damage, however caused. If you would like to know more, please contact Jeremy Meades:

For the Audax cyclist, 2007 is an important year with the running of Paris-Brest-Paris 1200 kms. To enter PBP, riders must have completed a 200, 300, 400 and 600 kms rides within a designated period of time. Dave Hudson (details above) is offering a full series of rides at appropriate times – you can complete a series all starting from Hailsham and as it is on the door-step I'm sure many of you will want to take advantage!
