TIMEKEEPING WORKSHOP

Cycling Time Trials, London South District is running its second "New Timekeepers Workshop" on 30th March 2009 at 7.30pm

The venue is:-
K2 Leisure
Pease Pottage Hill
Crawley
West Sussex
RH11 9BQ

If you are interested in putting something back into the sport and wish to learn about timekeeping then this is the workshop for you.

We will cover all aspects of timing a club event during the evening and we will also try and arrange a follow up session, where you will have the chance to put into practice all that you have learned on the 30th, without any pressure.

The course will be run by Mick Kilby (Lewes Wanderers) and Su Balcombe (Brighton Excelsior) they are both experienced timekeepers, and will show you the ropes and answer all your timekeeping questions.

Also both Mike and Su are happy to talk about timekeeping at any of the many events they officiate at during the racing season and would be happy to have anyone sit with them during a club or open event (by arrangement ONLY please) so that you can 'see' what is needed from a start and finish timekeeper.

On successful completion of the course you will be given a Certificate of Accreditation from the CTT.

The CTT London South District will **not** be charging anything to enrol in this course.

If you are interested in attending please email: -
