Volunteering:

So we can provide an extensive season of cycling events, we require assistance from volunteers.
 This is an excellent way of getting involved with the club and meeting new and existing members.
 It is not compulsory, but **please indicate 2 events or more** with which you can assist with marshalling, catering, signing on, etc. (assistance will be provided). It is possible to appoint a friend or family member to assist at events. If you intend to race this is particularly important as you're giving something back to the club.
