Last year's overall winner, Rob Rollings took a great sprint victory at the opening round (see back page photo). He was well supported by a strong team of Wanderers who worked hard to keep the race together. A three-man breakaway battled for victory on Round 2, with Rob Pelham having to settle for third. Rob Rollings crossed the finish-line in fifth place and headed into the final round, where he scored heavily in the prime contest and took second on the line to give him a comfortable GC victory.

Next year will see the 50th running of the Lewes Crits.
