Rules & more info - All Club BAR counting events must be on Sussex courses with the exception that any 12 hour can be used for the Senior BAR and 12-Hour Championship. The Fastest 25 Claret Jug is for the fastest 25 on any course.

On club events with 1 to 7 entries, only the fastest rider, the first rider on handicap and first on vets standard receive club medals. On events with 8 to 19 entries, the fastest two riders and the first two on handicap and vets standard receive club medals. With 20 and over entries, the fastest three and the first three on handicap and vets standard receive club medals. On events with three or more female entries, the fastest female rider will receive a club medal. This rule also applies in the case of three or more Junior entries in any event.

Road Racing

- **The LWCC Evening Criterium Series (Lewes Crits) - 2, 9 & 16/06/16 - 50th Edition**

2016 saw the 50th edition of the Lewes Crits. It was first run in 1966 and has been a constant on our calendar, with the exception of 1976, when it was cancelled due to objections from various bodies, including the police. You can read more about the beginning of the Crits and Geoff Willcocks, who started the ball rolling in the following club mag - go to page 4: <http://www.leweswanderers.co.uk/newsletters/12/07/07.pdf> Howard Burrell won the inaugural series back in 1966 and made a very generous donation of £250 towards this year's prize fund. The club topped it up to £300 and the cash prizes were handed out by Howard after the final race. Neil Midgley designed a special 50th edition cap and all the riders and helpers were given one - a prized possession.

After dominating our own series for several years, this year belonged to other clubs. Rob Pelham was our top man finishing fifth on GC and there was also some success for Patrick Hough (13th) and Dan Street (7th). The full results and reports for each round and the GC are available on our website. We had a couple of nasty crashes, with a few broken cyclists heading for hospital. Hopefully, we'll be back next year for the 51st edition and the Wanderers will be back at the front and everyone will stay upright.

- **LVRC Road Race run by LWCC and based at Chailey - 28/08/16 (LVRC Report below)**

A well run and organised event by Bob Evans and his Lewes Wanderers team on an interesting undulating course with an uphill finish that favoured the strong and the brave. The weather was not quite as forecast with intermittent light rain, but conditions were warm.

The morning races were run off without incident, but the afternoon event had to be cancelled due to a fallen tree that had blocked the course. This was regrettable due to the finely-poised situation in the Series with only one further round to go. However, it was fortunate that no-one - public or rider, was injured, as the tree came down within minutes of the first race passing through that point on the final lap.

Our 2016 Winners

The Classic League Competition was Introduced in 1985 and is awarded on a points basis to the club member who has the best placings in a number of selected time trials on 'sporting' / 'hilly' courses. Points are scored for finishing in the top 30 in each event - ie a first place is worth 30 points; second place is worth 29 points down to 1 point for 30th. Riders finishing outside the top 30 do not get any points.

Well done to Tom Glandfield, who did more than enough to hold off any possible challenges and claimed the shield for the third year on the bounce.

With event 3 cancelled due to a storm and no entries from the Wanderers on events 2 and 9 (and we only had one entry for event 8), it can't be classified as a classic year for the Classic League competition.

The Junior Classic League Competition was introduced in 1991. Points are awarded to junior riders according to their placings in relation to other juniors in the four Circuit events. The top junior in each qualifying event gets 3 points, with the second getting 2 points and the third 1 point. The competition is open to all first-claim members of LWCC who are aged from 12 to 18. "Junior" status does not end until December 31st of the year in which an 18th birthday occurs. Unfortunately, we did not have any qualifying rides by a junior in 2016.

The Circuit League for Ladies is an informal competition and Ali Brockhurst was the only rider to do all four events and ended up as the clear winner. We had a record breaking 12 female riders completing at least one event each.

- 1) 13/03/16 - Circuit of Laughton - 12.46 miles - GS/836
- 2) 10/04/16 - Circuit of Danehill - 18.11 miles - GS/891
- 3) 23/06/16 - Circuit of Earwig - 17.40 miles - GS/838a
- 4) 25/09/16 - Circuit of Chailey - 17.58 miles - GS/888

The Middlemarkers Competition

Introduced in 2006, this club competition is open to riders who have not beaten 25 minutes for a Ten mile Time Trial or 1 hour 5 minutes for a 25 mile Time Trial in the past three seasons.

The competition is decided on the same points scoring system as the Classic League. With the added proviso, that in non-Club events only Wanderers score points - e.g. if you finish 52nd in the Sussex CA 25, but are the highest placed Wanderer you get 30 points.

This year we have our first female winner in the competition's history. Well done to Ali Brockhurst on a dominant victory. And with Darren Brockhurst having won the comp in 2014, it's a family double bubble. We were heading for an all-girl podium, but with Clare and Lisa not starting Chailey, some of the guys got in on the action and Charlie pipped Clare for the silver medal.

The number of qualifiers can be seen as a barometer of the club's healthiness and success. In 2009 we had 64 different club members scoring points, in 2010 we had 77 and we hit a record of 81 in 2011. We were down to 68 in 2012, sneaked back up to 70 in 2013 and back down to 66 in 2014. With just 63 last year, it's good to see the numbers on the up with 76 this year.

Well done to Peter Baker, who was the only rider to do all fourteen rounds and was therefore our clear winner. Sam Ramsey missed a couple of rounds and Gavin Richards in his first season as a Wanderer completed the podium and was the only other rider to break the 1000 points mark. Lisa Davis was the first of our 14 female qualifiers.

Qualifying Events: After a question from riders in 2009, the Committee agreed to drop the three Evening Tens that include specialised events from the then new Points Comp. They are Rd. 5 'The Tandem Ten' - Rd. 6 'The Fixed Ten' and Rd. 12 'The Athletes Ten'. This allows & encourages participation in these events without penalising those riders who take part.

This mag is all about our riders and focuses on the winners, but none of this would be possible without those who run the club and its events. They generously give their time and energy, so you can do your rides. A big thanks to all the promoters, marshals, tea & cake makers, time-keepers, pusher offers and everyone else who helps put the show on the road. You're the real stars. x **CM**
